CRIMINAL NO. 2:16cr33

STATEMENT OF FACTS

By signing below, the parties and their respective counsel agree that if this case had gone to trial, the government's evidence would have established the following facts beyond a reasonable doubt:

1. On October 25, 2015, a Virginia Beach Police Officer conducted a traffic stop on the defendant's vehicle for illegal window tint and a cracked windshield. After the officer approached the defendant's vehicle, he detected the odor of marijuana. Following a probable cause search, the officer recovered 2 grams of marijuana, a loaded Glock 9mm handgun with ammunition, \$1,219 in United States currency, and 99.97 grams of heroin.
2. The Virginia Beach Special Investigations Unit responded to the scene and advised the defendant of his Miranda rights. After waiving his rights, the defendant admitted that he knew about the heroin and was transporting it for distribution. The defendant also accepted ownership of the weapon.
3. The suspected heroin recovered from the defendant was tested and confirmed to be heroin by the Virginia Department of Forensic Science on January 8, 2016.

4. The defendant acknowledges that the foregoing statement of facts does not describe all of the defendant's conduct relating to the offenses charged in this case, nor does it identify all of the persons with whom the defendant may have engaged in illegal activities. The defendant further acknowledges that he is obligated under his plea agreement to provide additional information about this case beyond that which is described in this statement of facts.

Respectfully submitted,
